# INTRODUCTION

---

Do you love taking wildflower walks during this time of the year? Do you make an annual trip to Daffodil Hill? Admire images and art of California poppies, lupines and other floral gems, via our carefully curated selection of images, ephemera and books. If you want more information about how to research the history of California wildflowers using our collection, consider viewing our research guide to [Wildflowers in California](#) or contacting us via the following methods.
