REPORTING

Financial and program narrative reports are required. All required reporting materials will be located on the California State Library's website at <http://www.library.ca.gov/grants/lsta/manage.html>. The forms, along with instructions, will be on the website under the heading "Statewide Grants 2017/2018." The Grant Guide for this project will list specific reporting due dates. This letter and the enclosed list of LSTA procedural requirements amend the Consolidated Application/Grant Award Certification document and must remain a part of all your existing copies. Failure to provide timely reports is a serious breach of a grant recipient's administrative duty under the grant program, which may result in federal audit exceptions against the state and the loss of LSTA funds.

PAYMENTS

Please note this clarification regarding payments. If your full grant amount is \$20,000 or more, ten percent (10%) of the grant award is withheld until the end of the project period. It is payable only if the grant recipient fulfills all project reporting requirements and expends all funds, or returns all unspent grant funds, by the time specified in the grant program.
