INTRODUCTION

Were you a flower child? Do you have fond memories of when the Age of Aquarius burst onto the scene? Did you participate in protests or the civil rights movement? Then check out our carefully curated selection of images, ephemera and books on California in the 1960's. If you want more information about how to research the 1960's in California, consider viewing our research guide to [California in the 1960's](#) or contacting us via the following methods.
